pay accordingly a moiety of expenditure incurred towards
the annual repairs, - Govt. passes orders stating that
the P.D.B.'s proposal cannot be sanctioned and that the
Board should levy a special cess, as already suggested,

Dispensary building at Halli Mysore to Government.

I have the honour to state that the District Medical Officer, Hassan forwarded the report of the Sub Assistant Surgeon, Halli Mysore for making arrangement to get the Dispensary building repaired as the building was in a very bad condition.

The matter was referred to the Sanitary Inspector, Holenarsipur for report with an estimate. ~~xxx~~ The building was inspected by me and improvements to be effected are estimated to cost nearly Rs.400/-. It is also learnt on enquiry that the Village Panchayet are not agreeable to pay a portion of the cost of repairs.

The matter was considered by the Board at their meeting held on 28-2-1945 when they resolved that the building may be handed-overed to Government for maintenance as it is not possible to attend to its repairs on account of depleted finances of the Board.

I request you to kindly move Government for obtaining sanction to the resolution of the Board and communicate the
